DINING

THE FOOD'S GREAT. AND SO IS THE SERVICE.

Fresh ingredients. Meals made from scratch. Plenty of choice. Made fresh daily, our food is nutritious and delicious – and served up with a smile. That's what good taste is all about.

GOOD FOOD, GREAT COMPANY

Eating is one of life's greatest joys. But it's more than good food. Here, it's about sharing a moment with friends, and receiving the royal treatment from our team of professional servers.

WHERE TO EAT TODAY?

Fresh food is best, especially when it's cooked up by our culinary experts. Our seasonal, locally inspired menus offer great flavour and variety. It's food that's good, and good for you.

RECREATION

DO MORE OF WHAT YOU LOVE AND LESS OF WHAT YOU DON'T.

Life is all about balance, and how you spend your time has a big impact on your happiness. Whether it's physical benefits of staying active, or the mental boost from feeling intellectually and emotionally stimulated, an active life is a healthy one.

That's why our recreational programs are focused on providing a holistic approach to your overall well-being, so you can do the things you love every day and lead a full, enriched life.

CARE SERVICES

IT'S NOT ABOUT THE CHART IT'S ABOUT THE PERSON

You feel good when you feel like yourself. That's the foundation of health and wellness. It's personal, and we're here to help make it happen.

EVERY STORY IS DIFFERENT. WHAT'S YOURS?

You have your own wants and needs. We take the time to learn about them from the person who knows them best – you. Rather than making decisions for you, we're your partner in health and wellness. Together, we'll come up with a personalized health and wellness plan designed just for you. We'll sit down and have a talk about your goals and how we can help you reach them, both now and in the future.

Health and wellness are two of life's essentials. It is all about making you feel your best, now and tomorrow. So you can keep being you.

THERE'S EVEN MORE TO EXPLORE

We're excited to show you what makes us different, and to learn what makes you unique. Because attention to detail and a personal relationship is what it all comes down to. Otherwise, it's not home. For you or for us.

Just as every resident is unique, the same goes for our overall approach to retirement residences. We encourage you to explore other Oxford Living locations to see what might work best for you.
