DINING

GREAT FOOD - GREAT SERVICE.

With plenty of choice and made fresh daily, our food is nutritious and delicious – and served up with a smile. That's what good taste is all about.

Fresh food is best, especially when it's cooked up by our culinary experts. Our seasonal, locally inspired menus offer great flavour and variety. It's food that's good, and good for you.

And beyond the great food, you'll love the opportunity to socialize with friends in our lovely dining room.

RECREATION

CARE SERVICES

**IT'S NOT ABOUT THE CHART
IT'S ABOUT THE PERSON**

EVERY STORY IS DIFFERENT. WHAT'S YOURS?

You have your own wants and needs. We take the time to learn about them from the person who knows them best – you. We're your partner in health and wellness. Together, we'll come up with a personalized health and wellness plan designed just for you. We'll sit down and have a talk about your goals and how we can help you reach them, both now and in the future. You and your loved ones will be rest assured, knowing that our experienced and dedicated staff are there to help you be your best, now and tomorrow.

THERE'S EVEN MORE TO EXPLORE

We're excited to show you what makes us different, and to learn what makes you unique. Because attention to detail and a personal relationship is what it all comes down to. Otherwise, it's not home. For you or for us.

Just as every resident is unique, the same goes for our overall approach to retirement residences. We encourage you to explore other Oxford Living locations to see what might work best for you.
